## 7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. INTENT. The legislature finds that passenger-only ferry service is a key element to the state's 10 transportation system and that it is in the interest of the state to ensure provision of such services. 15 It is the intent of the legislature that the state provide for a transition from state-provided to local service and that the department 16 of transportation provide resources to assist in this effort. 17

It is the intent of the legislature to encourage interlocal 18

The plan must set 14 forth terminal locations to be served, projected costs of providing 15 16 services, and revenues to be generated from tolls, locally collected 17 tax revenues, and other revenue sources. The benefit area may use any of its powers to carry out this purpose, unless otherwise prohibited by 18 19 In addition, the public transportation benefit area may enter 20 into contracts and agreements to operate passenger-only ferry service 21 public-private partnerships and design-build, 22 contractor/construction management, or other alternative procurement 23 process substantially consistent with chapter 39.10 RCW.

The conveyances must provide that the vessels or properties revert to the department if the vessels are not used for providing passenger ferry service.

**Sec. 5.** RCW 47.60.120 and 1993 c 427 s 1 are each amended to read 22 as follows:

TEN-MILE RULE EXEMPTION. (1) If the department acquires or constructs, maintains, and operates any ferry crossings upon or toll bridges over Puget Sound or any of its tributary or connecting waters, there shall not be constructed, operated, or maintained any other ferry crossing upon or bridge over any such waters within ten miles of any such crossing or bridge operated or maintained by the department excepting such bridges or ferry crossings in existence, and being operated and maintained under a lawfully issued franchise at the time of the location of the ferry crossing or construction of the toll bridge by the department.

(2) The ten-mile distance in subsection (1) of this section means ten statute miles measured by airline distance. The ten-mile restriction shall be applied by comparing the two end points (termini) of a state ferry crossing to those of a private ferry crossing.

p. 3 SHB 1853

- (3) The Washington utilities and transportation commission may, upon written petition of a commercial ferry operator certificated or applying for certification under chapter 81.84 RCW, and upon notice and hearing, grant a waiver from the ten-mile restriction. The waiver must not be detrimental to the public interest. In making a decision to waive the ten-mile restriction, the commission shall consider, but is not limited to, the impact of the waiver on transportation congestion mitigation, air quality improvement, and the overall impact on the Washington state ferry system. The commission shall act upon a request for a waiver within ninety days after the conclusion of the hearing. A waiver is effective for a period of five years from the date of issuance. At the end of five years the waiver becomes permanent unless appealed within thirty days by the commission on its own motion, the department, or an interested party.
  - (4) The department shall not maintain and operate any ferry crossing or toll bridge over Puget Sound or any of its tributary or connecting waters that would infringe upon any franchise lawfully issued by the state and in existence and being exercised at the time of the location of the ferry crossing or toll bridge by the department, without first acquiring the rights granted to such franchise holder under the franchise.
- (5) This section does not apply to the operation of passenger-only ferry service operated by public transportation benefit areas meeting the requirements of section 2 of this act.
- **Sec. 6.** RCW 47.64.090 and 1983 c 15 s 27 are each amended to read as follows:

(2) If a public transportation benefit area meeting the requirements of section 2 of this act has voter approval to operate passenger-only ferry service, it may enter into an agreement with Washington State Ferries to rent, lease, or purchase passenger-only vessels, related equipment, or terminal space for purposes of loading and unloading the passenger-only ferry. A benefit area or subcontractor of that benefit area that qualifies under this subsection is not subject to the restrictions of subsection (1) of this section, but is subject to the terms of those collective bargaining agreements that it or its subcontractors negotiate with the exclusive bargaining representatives of its or its subcontractors employees pursuant to chapter 41.56 RCW or the National Labor Relations Act, as applicable.

NEW SECTION. Sec. 7. A new section is added to chapter 82.80 RCW to read as follows:

MOTOR VEHICLE EXCISE TAX AUTHORIZED. (1) Public transportation benefit areas authorized to implement passenger ferry service under section 2 of this act whose boundaries (a) are on the Puget Sound, but (b) do not include an area where a regional transit authority has been formed, may submit an authorizing proposition to the voters and, if approved, may levy and collect an excise tax, at a rate approved by the voters, but not exceeding eighty one-hundredths of one percent on the value, under chapter 82.44 RCW, of every motor vehicle owned by a resident of the taxing district, solely for the purpose of providing passenger ferry service. The tax may be collected only at the time of vehicle license renewal under chapter 46.16 RCW. The tax will be imposed on vehicles previously registered in another state or nation when they are initially registered in this state. In a county imposing a motor vehicle excise tax surcharge under RCW 81.100.060, the maximum tax rate under this section must be reduced to a rate equal to eighty one-hundredths of one percent on the value less the equivalent motor vehicle excise tax rate of the surcharge imposed under RCW 81.100.060. This rate does not apply to vehicles licensed under RCW 46.16.070 with an unladen weight more than six thousand pounds, or to vehicles licensed under RCW 46.16.079, 46.16.085, or 46.16.090.

p. 5 SHB 1853

(2) The department of licensing shall administer and collect the tax. The department shall deduct a percentage amount, as provided by contract, not to exceed two percent of the taxes collected, for administration and collection expenses incurred by it. The remaining proceeds must be remitted to the custody of the state treasurer for monthly distribution to the public transportation benefit area.

- (3) The public transportation benefit area imposing this tax shall delay the effective date at least six months from the date the fee is approved by the qualified voters of the authority area to allow the department of licensing to implement administration and collection of the tax.
- (4) Before an authority may impose a tax authorized under this section, the authorization for imposition of the tax must be approved by a majority of the qualified electors of the authority area voting on that issue.

NEW SECTION. Sec. 8. A new section is added to chapter 82.14 RCW to read as follows:

SALES AND USE TAX AUTHORIZATION. Public transportation benefit areas providing passenger ferry service as provided in section 2 of this act whose boundaries (1) are on the Puget Sound, but (2) do not include an area where a regional transit authority has been formed, may submit an authorizing proposition to the voters and, if approved by a majority of persons voting, fix and impose a sales and use tax in accordance with the terms of this chapter, solely for the purpose of providing passenger ferry service.

The tax authorized by this section is in addition to the tax authorized by RCW 82.14.030 and must be collected from those persons who are taxable by the state under chapters 82.08 and 82.12 RCW upon the occurrence of a taxable event within the taxing district. The maximum rate of the tax must be approved by the voters and may not exceed one percent of the selling price in the case of a sales tax or value of the article used in the case of a use tax. The maximum rate of the tax that may be imposed may not exceed nine-tenths of one percent in a county that imposes a tax under RCW 82.14.340. The exemptions in RCW 82.08.820 and 82.12.820 are for the state portion of the sales and use tax and do not extend to the tax authorized in this section.

SHB 1853 p. 6

Sec. 9. RCW 82.14.050 and 2002 c 56 s 406 are each amended to read as follows:

Moneys in the local sales and use tax 16 account may be spent only for distribution to counties, cities, 17 transportation authorities, public facilities districts, 18 transportation benefit areas, and regional transportation investment 19 districts imposing a sales and use tax. All administrative provisions 20 21 in chapters 82.03, 82.08, 82.12, and 82.32 RCW, as they now exist or 22 may hereafter be amended, shall, insofar as they are applicable to state sales and use taxes, be applicable to taxes imposed pursuant to 23 24 this chapter. Except as provided in RCW 43.08.190, all earnings of investments of balances in the local sales and use tax account shall be 25 26 credited to the local sales and use tax account and distributed to the 27 counties, cities, transportation authorities, public facilities districts, public transportation benefit areas, and regional 28 29 transportation investment districts monthly.
